Technical Details of how the planetary patterns are determined: Each interpretation is based on a 3-planet pattern. The 3 planets are forming a midpoint structure where a planet forms one of the following aspects to the midpoint of 2 other planets: conjunct or opposition with 2 degree orb, square with 1 1/2 degree orb, semisquare or sesquiquadrate with a 1 degree orb, or 1/16, 3/16, 5/16, or 7/16 with a 30 minute orb. Also, the 3 planets are aspected to each other in the same harmonic. The harmonics analyzed are 1 through 64 and any doubling of these numbers, such as 120 which is a double of 60, up to 180. The total number of harmonics analyzed is 108. In the harmonic chart all 3 aspects are within a 12 degree orb. Also, any midpoint structure involving a conjunction or opposition aspect within a 1 1/2 degree orb, even if a harmonic triangle is not involved, is interpreted.

Given below is a brief interpretation of your birth chart. The major themes in your life are described. The themes are presented approximately in the order in which they are a priority in your life. In other words, the themes which are most important are, in general, described near the beginning of the report, and the less important themes are described towards the end of the report.

Each astrological influence described in this report is a resource available to you. It is up to you to express these energy patterns in the best possible way. It is possible to repress, block, or try to avoid issues, or to fight yourself; hopefully this report will help clarify issues in your life, and encourage you to master your life rather than be a victim of circumstances.

Moon-Saturn-Uranus 16th Harmonic

You become uncomfortable quickly when forced to behave, dress, or act according to the desires of others or social conventions. It is important for you to dress comfortably and feel unrestrained. You can become very stressed, and massage or other stress-relieving activities are good for you to participate in regularly.

Moon-Saturn-Neptune 16th Harmonic

You have a deep sensitivity that others may be very unaware of. Some form of moral laws or religious principles are important for you to develop and discover, and without a good ethical and emotional foundation in your life, you may turn to alcohol or other forms of escape. You can be very self-sacrificing for a worthy cause.

Moon-Uranus-Neptune 16th Harmonic

You are inclined to unusual moods and inspirations. Unusual dreams and a heightened imagination draw you to the arts, music, religion, and perhaps mysticism. Your high sensitivity can become severely unbalanced from drugs and alcohol, both of which you should try to avoid.

Mars-Saturn-Uranus 6th Harmonic (6=3x2)

You work intensely and sporadically. It is difficult for you to stay on a fixed schedule with a prescribed task. You prefer to work very hard at your own pace. Others usually get in your way. You become easily frustrated by the demands of others.

Sun Opposition Mars/Neptune 0 deg 06 min

You need to work in an area that captures your imagination. Like a child, you can get very excited about things which to others seem less important or dramatic. You succeed in areas where you can share your sense of magic and wonder. Your dreams may revolve around something as simple as athletic performances or as grand as visions of world peace; whatever your dream, follow it and share it, but take an objective look also at how your dreams and visions fit into the lives of others and the world in general.

Saturn Opposition Mars/Pluto 0 deg 15 min

You are capable of extremely hard work. You can work long hours at tedious tasks and without complaining. If you set your mind on a goal, you can focus single-mindedly on the work and leave no stone unturned. Others may take advantage of your efforts; try to receive reasonable

compensation for your contributions.

Sun Conjunct Moon/Saturn 0 deg 50 min

You like to isolate yourself sometimes, and often you feel uncomfortable in a large group of people. Work or activities that demand quiet and solitude suit you well, but be careful not to avoid people at inappropriate times, and be careful to make sure that friends, loved ones, and even acquaintances, do not feel that you are avoiding them or are cold to them.

Uranus Conjunct Mars/Pluto 0 deg 44 min

You can work with extreme speed and force. This capability can help you excel in sports and competitions, and enable you to achieve a great deal in any area that you apply yourself to. Sometimes you can be pushy and aggressive without realizing it; if you want others to cooperate with you, you will need to take a more gentle approach. Always try to apply your dynamic energy in a way that is not harmful to others.

Sun Opposition Uranus/Neptune 0 deg 45 min

Your imagination and idealism are unusually strong. It is likely that you believe in various paranormal phenomena that most people are skeptical of. In order for your dreams, visions, and fantasies to develop to their greatest potential, it is best if you avoid drugs, alcohol, and stimulants.

Sun-Moon-Mars 52nd Harmonic (52=13x4)

You become bored when you are not challenged. You become irritated if there isn't some lively activity to get involved in. Engaging in competitive sports is good for you. You are very sensitive to feeling dominated or pushed around by others, and you may feel provoked to assert yourself over relatively minor incidents.

Sun-Mercury-Saturn 55th Harmonic (55=11x5)

You are methodical and logical. In elementary school and even in high school, you may sometimes have felt that you are a slow learner, but actually it is only your insistence on gaining a thorough, complete, and logical understanding of a subject that caused any problems. Other people are content with relatively superficial explanations whereas you often seek a level of clarity that even the teacher may not be capable of providing. Your quiet, structured, and disciplined approach to learning can help you excel in many areas as long as you have the self-confidence and patience to allow yourself to master the material.

Sun-Saturn-Neptune 176th Harmonic (176=11x16)

You have a great love for people who sacrifice for a worthy cause, and you appreciate people who are not ostentatious, glamorous, or pretentious. You seek simple and deep truths. You

succeed in areas that bring real assistance, hope, or solutions to difficult problems. If you are unable to find a satisfying set of spiritual or religious principles, you can become very depressed and downtrodden.

Mercury-Mars-Pluto 88th Harmonic (88=11x8)

Sometimes you become impatient and even belligerent with others if you feel that their ideas are poorly constructed or based on erroneous assumptions. You are shrewd and insightful but sometimes you are not as open to other points of view as you think you are.

Mercury-Jupiter-Pluto 10th Harmonic (10=5x2)

You are interested in many different subjects, you learn quickly, and you find something of value in almost any subject area. You are well-suited to academics, although too much memorization or rote learning bores you very quickly. You can succeed in an area that involves large communications, education, politics, marketing, or exciting research.
